Topic : Vehicle Service and Maintenance

Speaker : Mr Harshith Shetty

Date: 16-10-2019

Time: 11:10-12:10

Sem:VII

Report

Alumic talk was given by Mr Harshith Shetty (2016 batch pass out) working as senior service manager at Toyota service. On the topic “**Vehicle Service and Maintenance** “. The lecture was started by describing his profile as a Service Manager, and shared his experience as an automobile engineer here in new horizon college he shared his experiences as an engineering student how he decided his mini projects and completed it successfully. he then asked what kind of job are we looing for and the industrial expectations. He explained various opportunities after our engineering which are available, and suggested us to do as many as internship as possible. The seminar was really helpful to us we got to learn a lot and know about our future option and the right ways to go about it and the right methods to achieve it .
